BULLETIN

DECEMBER 1991

*Greetings
of the
Season*

PLEASE TAKE DUE NOTICE OF THE NEW DUES EFFECTIVE JANUARY 1, 1992. AS APPROVED IN THE BUSINESS MEETING AT THE NATIONAL, DUES WILL BE \$20 BEGINNING JANUARY 1, 1992.—Jim Thrognorton, Treasurer. (If you have printed membership applications on hand, please correct the dues amount before handing them to prospective members. Thanks.

PRESIDENT'S MESSAGE

December is here and the year is almost history. Hopefully, everyone has had a good year both with your lives and your Falcons. I believe the FCA has had a super year with all the meets throughout the country. The FCA officers, Board of Directors, Regional Directors, and committee people have had a fantastic year. Many thanks to all of them.

I've talked to Gary Fuerst, President of the North Central Falconeers Chapter. They are busy making plans and signing contracts for our National meet in Milwaukee in 1992.

The National Meet Committee has everything going in our favor. I believe this is the best thing that ever happened to the FCA.

I hope you have been good so Santa will bring all the Falcon goodies you are wanting from the Club Store. Bonnie has a good selection and these items make super Christmas presents.

Have a Merry Christmas and a Happy New Year.--Jim Hatcher, President FCA

Added note: On page 4, item 8 of the Falcon Quarterly, minutes of the business meeting at the Oklahoma City National, please note that the motion on the new dues rate for 1991 was made by Don Anderson, of Oklahoma.--JH

LETTER TO THE EDITOR

I submit the following unfortunate experience to help prevent others from being ripped off: **SERVICES NOT RECOMMENDED:**

Dave Duke of the Quicksilver Chrome Company, 644 North Poplar St., Unit J, Orange, CA 92668 advertises plastic chrome plating. I originally wrote to him requesting prices, and asked whether he would replating my pieces, or exchange them. He responded that he would replating my pieces, and since he had been highly recommended to me by a Falcon Club member, I sent him 2 sets of cores in perfect condition in February 1990.

The return shipment, received in September 1990, contained 2 pieces which were severely damaged. I returned them stating that I had sent pieces in perfect condition, and expected the same condition in return. In the year that has elapsed, Dave Duke has not shipped my pieces, nor answered any correspondence (sent certified). I have complained to all of the hobby publications, and two of them have sent him letters which have been unanswered. His advertising will no longer be accepted by these publications. Please use caution in dealing with this company.

Sincerely,
Frank Servas, Jr.

CHAPTERS

THE CAROLINAS CHAPTER reports new officers: President--Ken Earnhardt; Vice-President--Butch Willis; Secretary--Jim Knapik; Treasurer--J. C. Teeter; reporter--Ray Greene; Events Coordinator--John Woodward.

THE KEYSTONE CHAPTER concluded another successful season on October 19. On that day the chapter enjoyed an excellent lunch prepared by our host and hostess Chet and Becky Wisneski. The day concluded with a Falcon caravan through the town of Skickshinny, PA to a spectacular scenic overlook nearby. 1992 looks to be another promising year as plans are underway for the fourth annual Eastern Regional Meet along with other Chapter activities. The Keystone Chapter wishes all fellow Falconeers a Merry Christmas and prosperous new year.

THE LONE STAR CHAPTER announces new officers: President--Mickey Rosewell; Vice-President--Danny Rosewell; Secretary--Linda Rosewell; Treasurer--Cleeta Burton. There were 3 Falcons at the Northeast Texas Travelers Car Show in Mt. Pleasant on Oct. 19. The November meeting was at the Reynolds home in Cookville, TX.

THE MASON DIXON CHAPTER met on Oct 13 at Sandy Point State Park in Annapolis, MD for annual picnic/elections, with sunshine, good food, and a lot of new Falcon stories with 43 members and guests present. Elected as new officers were: President--Phil Barber; Vice-President--Wil Irwin; Secretary--Bill Anonsen; Treasurer--Lynn Jensen. The outgoing Treasurer, Selma Irwin, reported our treasury balance to be \$1127.13. THANK YOU, Selma, for 5 years of very dedicated service as Treasurer. We planned for our upcoming (February) annual dinner and approved \$60 from the treasury for door prizes to include a one year membership credit for all members attending the dinner. It was decided that members would provide their own custom made shirts by Rick and Dawn Fox, and, depending upon work to be done, charges would be set by Rick. Our scheduling for next year will remain the same with the exception of April. In stead of the Seaford, DE area we will try to get a location in the Annapolis area for April. A hearty thank you to all who came to the picnic, especially to all our newly acquired members who always add a lot of new Falcon discussion and challenging questions to our meetings, keeping us on our toes. New members are; Bob Hammond, Tim Carroll, Roy Bohannon. Persons taking home applications were; Randy Phelps, Barry Plowman, and Charlotte Lang. A final thank you is order to Tim DiGennard who showed up with a nice modified 63 Sprint HT which he was offering for sale. He showed extraordinary generosity by giving our chapter two large cartons of new and used parts. Thanks Tim!

THE MID AMERICA CHAPTER held its regular meeting Nov 1 at Sante Fe Bar-B-Q, Olathe, KS. We had 26 members present with 5 Falcons driven. It was voted to have a Regional Meet and All Ford Show in Kansas City in 93, so look for further details on this. Our December meeting will be a Christmas party held December 7, 7 pm, at Ryckert's Hall in Lenexa, KS. Our regular meeting date is the first Friday of the month. Our January meeting will be January 3, 1992, at Santa Fe Bar-B-Q, Olathe, KS.

MANY TURNS OF THE WHEEL

FCA member John Giles, Cocoa, FL, writes: I have a 66 2 dr plain Jane sedan with a 200 CID 6 cyl and a three on the tree. The only two options the car had was a heater and an AM radio. I have the original paperwork, and am the second owner. As of today the car has 184,751 miles on it and increasing by at least 30 miles to work and back every day. The block has never been touched, the head had a valve job at 100K, and she doesn't burn any oil.
